## **INFORMATION – Ordering of reporting card/authorisation, transparency directive**

This form is used by a legal entity to report authorisation to electronically file applications and reports with Finansinspektionen via its website ([www.fi.se](http://www.fi.se)).

### ***Person(s) authorised to file reports***

The person or persons at the company authorised to file reports by way of his or her electronic signature is responsible for ensuring that the information submitted in applications or reports, or in other electronic communications with Finansinspektionen, is correct and complete.

### ***Cancellation***

The form is also used to notify Finansinspektionen when a person is no longer authorised to file reports and the report card is to be cancelled.

### ***Signature***

The form shall be signed by the authorised signatory for the firm. All requested information must be filled in.

### ***Information checks***

Submitted personal information is registered in a central database at Finansinspektionen.
