Disclaimer: Finansinspektionen has taken reasonable care to ensure that the information on the national provisions governing the marketing requirements for AIFs in Sweden included on this webpage is up-to-date and complete. Finansinspektionen is not responsible for maintaining external websites and is not liable for any error or omission on any external website to which hyperlinks are provided on this webpage.

Other requirements

In addition to the provisions referred to above, which are set out specifically for the marketing of AIFs, there may be other legal provisions that may apply when marketing them in Sweden, although they are not specifically designed for the marketing of AIFs, depending on the individual situation of those involved in the marketing of shares or units of AIFs. Marketing in Sweden may trigger the application of other requirements, such as consumer law or tax law.

Disclaimer: The following is a non-exhaustive list of national laws that could be applicable and Finansinspektionen is not liable for any omission in that list. Supervision of the requirements deriving from these laws is not under the supervision of Finansinspektionen. The applicability of these requirements, and any other legal requirements, should be assessed before marketing or investing in an AIF. Where uncertainty exists, those marketing or investing in UCITS or AIFs should obtain independent advice as to the applicable requirements to their individual situation.
