RISK FACTORS

The purpose of this section is to enable a potential investor to assess the relevant risks related to their potential investment in the Bonds in order to make an informed investment decision. The below risk factors are therefore limited to risks that, in the meaning of Regulation (EU) 2017/1129, are material and specific, to the Issuer, the Group (in particular its holdings in the subsidiaries Fastpartner AB (publ) (“Fastpartner”) and Henrik och Sven-Olof Fastigheter AB (“HS-fastigheter”)) and the Bonds.

Almost all of the Group’s properties are owned by Fastpartner and consequently a majority of the Group’s operations are conducted by and the Group’s assets and revenues relates to Fastpartner. Therefore, the risk factors included in this section are predominantly connected to Fastpartner.

The manner in which the Issuer and the Bonds may be affected by each risk factor is illustrated by way of an evaluation of the materiality of the relevant risk factor based on the probability of it occurring and the expected magnitude of its negative impact, for the purpose of which the probability is estimated as “low”, “medium” or “high” and the magnitude of negative impact if it would occur as “low”, “medium” or “high”. The most material risk factor in a category is presented first under that category, whereas subsequent risk factors in the same category are not purported to be ranked in order of materiality.

RISK FACTORS SPECIFIC AND MATERIAL TO THE ISSUER AND THE GROUP

Risks related to the Group’s business activities and industry

Acquisitions

Acquisitions and divestment of properties are part of the Group’s ongoing business. For example, as per 2 April of the financial year 2024, Fastpartner divested three properties with a book value of SEK 243.3 million. Acquisitions of properties are inherently associated with risks, *inter alia*, lower than anticipated rental income, environmental contamination or technical problems. Should unfavourable environmental conditions and/or technical problems arise in relation to acquired properties, and if such risks are not identified within the framework of the due diligence process or compensated for through warranties under the relevant acquisition agreement, such acquisitions may turn out costly and not be compensated by any gain from such transaction, which in turn would negatively affect the Group’s business and financial position.

The Issuer considers that the probability of the above risks occurring is low. If the risks would materialise the Issuer considers the potential negative impact to be medium.

Rental income and the development of rents

The main business of the operating companies, including Fastpartner, in the Group is to own and manage properties. Consequently, rental income constitutes the Group’s major source of income. During the first financial quarter of 2024, the Group’s rental income amounted to SEK 584.3 million and the average lease period for the Group’s lease agreements was approximately 4.2 years. A decrease in rental income and increase in vacancies could result in lower property market prices in general and for the Group specifically, which could have a negative effect on both the valuation of the properties and the Group’s operating income.

As of 31 March 2024, the Group’s ten largest tenants accounted for approximately 17.5 per cent of the total contracted rental income, of which the largest, being Nasdaq, accounted for approximately 3.4 per cent. The Group is hence dependent in its larger tenants in order to maintain a stable cash flow. Should the Group’s larger tenants refrain from renewal or extension of their rental agreements on, or before, the expiration date, this could eventually lead to a decrease in rental income and increase in vacancies, the consequence of which is lower revenues, which in the long-term could result in lack of liquidity and ultimately affect the Issuer’s ability to service its debt under the Bonds.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise the Issuer considers the potential negative impact to be *low*.

Project development

The Group continuously refines its property portfolio and during the first financial quarter of 2024, investments amounting to SEK 77 million were made in existing properties and projects. As of 31 March 2024, the remaining investment volume for the Group's ten largest ongoing projects amounted to approximately SEK 100 million. The Group's operations also include project development and the Group has an extensive portfolio of unutilised building rights in various planning phases. Project development refers to both new construction as well reconstruction of existing buildings.

The Group's operations include project development operations and primarily Fastpartner has a comprehensive portfolio of unutilized building rights in different stages. As project development refers to both new construction as well reconstruction of existing buildings, it is necessary for the Group to carry out such operations with maintained profitability, which is dependent upon factors such as the Group's access to necessary skilled personnel within e.g. building, design and architecture, as well as obtaining licensing and government approvals and successful procurement of contracts. Furthermore, a successful project development requires ongoing supply and financing of new projects on acceptable terms. The possibility of implementing projects with economic profitability can also be dependent on, inter alia, if the projects do not adequately respond to market demand, if demand or rental levels in general change, inadequate planning, analysis and cost control, changes in taxes and fees or other factors that can lead to delays or increased or unforeseen costs attributable to the projects.

There is a risk that the Group may not receive government decisions or permits that are necessary for project development, or that changes in permits, plans, regulations or legislation, including the possibility to exploit building rights within certain zoning plans (Sw: *detaljplaner*), will cause projects to be delayed, to be more costly, to deviate from expectations or to be impossible to carry out at all. Should one or more of the above factors occur or risks materialise, it could have a material adverse effect on the Group's business, financial position and results.

The Issuer considers that the probability of the above risks occurring is *medium*. If the risks would materialise the Issuer considers the potential negative impact to be *low*.

Exposure towards changes in operating costs

A material cost item for the Issuer's subsidiary Fastpartner is operating costs comprising of inter alia electricity, heat, water, tax on real estate. For the first financial quarter of 2024, the Group's property operating costs amounted to SEK 197.7 million. Rising costs for electricity, heating, water, tax on real estate and site-lease rents entail increased costs for Fastpartner and the Group to the extent any such increased costs, especially with regard to electricity, are not compensated through that the costs can be borne by tenants in the lease agreements. The consequences of any such increased costs are lower profits derived from property management and a negative effect on key ratios. Such increased costs could therefore have a material adverse effect on Fastpartner's business and results of operation, and hence the Issuer's results of operation and financial position.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise the Issuer considers the potential negative impact to be *low*.

Market risk

Macroeconomic factors

The real estate market is to a considerable degree affected by macroeconomic factors such as the general economic climate and economic trends, economic growth, employment rate, the rate of construction of new housing and commercial premises, changes to infrastructure and demographics, population growth, inflation and/or interest rates. The economic growth affects the employment rate, which is an important factor regarding, for example, demand in the lease market and tenant solvency and therefore affects vacancy rates and rental levels.

The global macroeconomic development during 2023 with rising inflation and interest rates has put pressure on both companies and households. Continued rising interest rates and inflation can negatively affect the Group's

growth in several ways, mainly through a negative effect on the tenants' ability to pay rent in the event of a lack of liquidity. The long-term economic effects due to rising inflation and interest rates are still uncertain, but risk resulting in reduced income to the extent that the vacancy rate, rental levels and tenants' ability to pay rent are negatively affected.

The Group's major cost item consists of the cost of interest-bearing borrowings to credit institutions and the capital market. Hence, the expected inflation rate affects interest rates and consequently the Group's net income. In a long-term perspective, changes in interest rates may have a significant impact on the Group's financial results and cash flow. Inflation also affects the Group's operating costs. In addition, changes in interest rates and inflation also affect the required rate of return and thus the market value of the Group's properties.

A major share of the Group's commercial lease agreements completely or partially tied to the Swedish consumer price index (Sw. *konsumentprisindex*), and are therefore completely or partially adjusted for inflation. Should the Group's costs be such that they cannot be compensated by the increase in leases in accordance with the inflation-driven indexation, it would negatively impact the Group's results of operations and hence the Issuer's results of operations. Furthermore, there is a risk that Group companies, including Fastpartner, will not at all times be able to sign rental agreements that completely or partially compensate for the inflation, which would negatively impact the Group's profit.

Higher vacancy rates and interest rates, rising costs and lower lease rates could have a material adverse effect on the Group's business, results of operations and financial position.

The Issuer considers that the probability of the above risks occurring is *medium*. If the risks would materialise the Issuer considers the potential negative impact to be *high*.

Risks related to the Group's financial situation

Liquidity and refinancing risks

The Group's business operations are capital intensive and access to external financing is a basic prerequisite for the Group in order to developing a successful business. The Group mainly finances its business and development projects by way of loans from credit institutions and the capital markets, including bond financings. Liquidity and refinancing risks refer to the risk of increased cost and/or a limited scope for refinancing possibilities when loans are to be renewed, and that payment obligations cannot be fulfilled as a consequence of inadequate liquidity or difficulties in obtaining financing. If financing cannot be obtained at all, or refinancing cannot be obtained with reasonable terms or only at a materially increased cost, this could have a material adverse effect on the Group's liquidity and financial position and ultimately the Group's business.

Historically, the Group has largely obtained financing in the form of loans from the Swedish commercial banks. The Group currently finances its business primarily through equity and interest bearing borrowings. As of 31 March 2024, the Group has loans from credit institutions in an amount of SEK 11,252.2 million, bond loans in an amount of SEK 6,095.0 million, commercial papers in an amount of SEK 105.0 million and other loans in an amount of SEK 130.4 million.

As of 31 March 2024, the debt obligations classified as short-term liabilities with a repayment rate within the next twelve months amounted to SEK 858.7 million. As of 31 March 2024, the ongoing project investments in Fastpartner amounted to SEK 695.5 million and the remaining investment volume for project investments in Fastpartner amounted to SEK 233 million.

The Group is thus continuously in need of financing its ongoing projects and being able to refinance their short-term loans. Should it become impossible to obtain refinancing on acceptable terms, it could have a material adverse effect on the Group's business and financial position.

The Group's loan agreements as well as the terms and conditions of the bond loans contain certain financial covenants, for example to maintain a certain level of loan to value ratio, interest coverage ratio and leverage ratio. If these special undertakings are not fulfilled by the Group, the relevant creditor may be entitled to accelerate the

loans or require amended terms and conditions. Certain loan agreements also include so-called change of control clauses, which means that the creditor can demand repayment of the loan in advance if Sven-Olof Johansson's direct or indirect control over the Group ceases. The loan agreements also contain provisions which imply that if any loan agreement is terminated, other creditors are entitled to terminate their loan agreements (cross-default). Should the Group's financing agreements be terminated or securities enforced, it could have a material negative effect on the Group's investment ability and in the long-term access to capital. Furthermore, such termination of lending arrangement would affect the Group's and the Issuer's liquidity in the short term, and hence the Group's business and financial position.

The Issuer considers that the probability of the above risks occurring is *medium*. If the risks would materialise the Issuer considers the potential negative impact to be *high*.

Changes in value and valuation of the properties

The Group is exposed to changes in the market value of its real estate portfolio. The Group accounts for its real estates at fair value in accordance with the reporting standard IFRS 13, which means that each real estates' consolidated carrying amount corresponds to its estimated market value. As of 31 March 2024, the value of the Group's property holdings amounted to SEK 34,196.4 million, whereof SEK 33,945.6 million is attributable to Fastpartner and SEK 250.8 million is attributable to HS-fastigheter.

If real estate valuations assign lower values to the real estate assets of the Group, it would negatively affect the Group's equity, and hence the financial position. Consequently, decreasing market values of the Group's real estate properties will negatively affect its financial income and balance sheet. The Group conducts property valuations by appointment of external value rating agencies. The valuation is carried out in order to determine the market price as of the date of the valuation. Should such valuation be inadequate or discontinued, it could have a material adverse effect on the Group's financial position.

The value of the Group's properties is affected by factors such as yield requirements and cost of capital derived from comparable transactions on the real estate market. Both property specific deteriorations such as lower rental levels and increased vacancy rates and market specific deteriorations such as higher yield requirements may cause the Group to write-down the value of its properties, which would have a material adverse effect on the Issuer's business and financial position.

The Issuer considers that a decrease in the value of the Group's properties occurring is *medium*. If the risks would materialise, even if temporary, the Issuer considers the potential negative impact to be *high*.

Credit and counterparty risks

The term credit and counterparty risk means the risk of loss if the other party to a contract should not meet its obligations. The Group's credit and counterparty risks comprise of exposure to commercial and financial counterparties. The Group's commercial credit and counterparty risk comprise of financial possessions such as promissory notes, shares and stocks and lease receivables which are distributed on a large number of counterparties. Fastpartner's primary credit and counterparty risk is mainly tenants being unable to fulfil their payment obligations in accordance with their lease contracts as well as certain promissory notes, whereas the commercial counterparty risk for the Group is focused towards larger lenders such as creditworthy credit institutions.

Should any such counterparties of Fastpartner, the Issuer or the Group fail to fulfil their obligations vis-à-vis the Fastpartner, the Issuer or the Group, it could have a negative impact on the Group's business and cash flow as well as financial position. There is also a risk that Fastpartner would need to terminate lease agreements with tenants not fulfilling their obligations. This could result in vacancies and decreased cash flow, which in turn would adversely affect the Group's business and cash flow as well as financial position.

The Issuer considers that the probability of the above risks occurring is *high*. If the risks would materialise the Issuer considers the potential negative impact to be *low*.

Interest expense risks

Interest cost is one of the Group's main cost items. As of 31 March 2024, the aggregate amount of the Group's interest bearing debts amounted to SEK 17,582.6 million. Interest risk is the risk that changes in market interest rates affect the Group's net interest income negatively, as well as the risk that changes in the interest level negatively affect the Group's interest costs.

The interest rate for the Group's indebtedness is mainly derived from benchmarks, in particular 3-months STIBOR. Hence, the Group's interest expenses are affected by the market interest rates, in particular STIBOR, the margins required by credit institutions and especially short-term changes in market interest. To illustrate, an increase of STIBOR by 1.00 percentage point as of 31 March 2024 would have a negative impact on Fastpartner's earnings with approximately SEK 130 million. STIBOR has been affected by the rising inflation rate, and has risen from approximately 0 per cent. as per 1 January 2022 to approximately 4.0 per cent. as per 31 March 2024, thus increasing the Group's monthly interest costs. In addition, changes in the interest and inflation rates affect the yield requirements and thus the market value of the properties. During the first financial quarter of 2024, Fastpartner's average interest rate amounted to 4.7 per cent.

In a longer perspective, changes in interest rates, irrespective of variable or invariable rates, have a material effect on the Group's profit and cash flow. Furthermore, an increased level of interest rates and increased interest costs could have a material adverse effect on the Group's and the Issuer's business, results of operations and financial position.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise the Issuer considers the potential negative impact to be *high*.

Changes in the value of interest rate derivatives

The Issuer's subsidiaries currently uses, and has historically used, interest rate derivatives for hedging of financial risks. The interest rate derivatives are accounted for at fair value in the balance sheet and changes in value simultaneously accounted for in the profit and loss account. As the market interest rates change, a theoretical deficit or surplus value arises which is not influencing the cash flow. At the end of duration, the value of the derivatives is always zero. During the first financial quarter of 2024, Fastpartner's results were affected by SEK 20.6 million in unrealised changes in the value of its interest swap agreements and market value of its short-term share placements. Interest swap agreements are paid at a fixed interest rate, but as the market value of the interest rate derivatives decreases if the market interest rates fall, such decrease in market interest would negatively affect the balance sheet of the relevant Group company and hence the Issuer's financial position.

The Issuer considers that the probability of the above risks occurring is *medium*. If the risks would materialise the Issuer considers the potential negative impact to be *low*.

Risks related to financial holdings and other investments

The Issuer invests indirectly in real estate assets through Fastpartner and HS-fastigheter, as well as directly in shares and other instruments that are listed and traded on regulated markets or multilateral trading facilities. As of 31 March 2024, the value of the Issuer's share portfolio amounted to SEK 1,582.6 million. Such assets and instruments are exposed to market price fluctuation which could have a negative impact on the value of the Issuer's assets and the creditworthiness of the Issuer, which in turn ultimately could impact the business operations of the Group and the Group may be negatively affected.

The Issuer is dependent on its subsidiaries and other investments, especially its financial holdings, to obtain dividend income. If subsidiaries or financial holdings fail to provide dividend income, the Issuer's cash flow could be negatively affected, which could have material negative impact on the Issuer's business, results of operation and financial position.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise the Issuer considers the potential negative impact to be *medium*.

Legal and regulatory risk

Reputational damage

The Group's ability to attract and retain tenants as well as its ability to obtain financing on acceptable terms is dependent on its reputation and, consequently, Group's business is sensitive to risks related to reputation damage. If, for example, the Issuer, the Group, any of its senior management or directors were to act in a manner that conflict with the values of the Issuer and the Group, or if any real estate projects do not meet the expectations of the market, there is a risk that the reputation is damaged. Further, there is a risk that any Group internal policies in relation to, inter alia, bribery and corruption, are not adhered to, and that the Issuer does not effectively detect and prevent violations of applicable laws and regulations. Penalties and Sanctions (as applicable) as well as negative publicity, negative rumours or other factors could impair the Group's reputation and lead to reduced competitiveness, take up managements' time and resources, impair the Group's ability to obtain external financing as well as cause other costs, which could have a material adverse effect on the Group's business, results of operation and financial position.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise the Issuer considers the potential negative impact to be *medium*.

Environmental risks

The Swedish Environmental Code (Sw. *miljöbalken (1998:808)*) contains detailed rules regarding operators' and real estate property owners' liability for investigations and remediation measures regarding real estate property which is polluted. The general rule for liability regarding the investigation and remediation measures is that the person who is the operator, or has been the operator, who contributed to pollution, is liable. Under certain conditions, an owner of a real estate property or a holder of leasehold may also be held liable.

The Issuer indirectly subject to environmental risk as the subsidiaries in the Group, as property owners and site leasehold holders, may be liable (or liable to pay compensation) under certain conditions for investigative action and remediation measures as well as preventive action regarding contaminated properties. A liability of this kind could cause the relevant subsidiary to incur significantly increased costs and/or investment needs and could have a material adverse effect on the relevant subsidiary's business, results of operation and financial position, and therefore in turn on the Issuer's results of operation and financial position.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise the Issuer considers the potential negative impact to be *low*.

Disputes, claims, inquiries and lawsuits

The Group may become involved in disputes associated with its operations. Disputes could concern claims from or on tenants, suppliers to the Group or be made by authorities against the Group. Disputes may also arise in conjunction with acquisitions or divestments of properties or relate to environmental conditions. Disputes, legal proceedings or other inquiries and lawsuits could be time consuming and result in increased costs which are difficult to predict. Disputes or claims could have material negative impact on the Group's results of operations.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise the Issuer considers the potential negative impact to be *medium*.

Exposure to changes in legislation and taxes

Changes in legislation relating to landlords and tenants, as well as legislation relating to acquisitions, taxes or the environment, or changes in the legal usage applicable to the Group's or its tenants' business, may have a negative effect on the Group's business. Changes in tax legislation relating to companies and properties, as well as other government fees, may affect the conditions for the Group's operations, including the possibility of implementing property development projects, and may have negative effects on the Group's financial results.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise the Issuer considers the potential negative impact to be *low*.

Internal control risk

Dependence on qualified staff and senior executives

The Group has a relatively small organisation with 82 employees as of 31 March 2024. The Issuer and the Group's successful development is therefore dependent on individual employees in general and the knowledge, experience and commitment of key employees in particular, including the Issuer's major shareholder and CEO. Should one or more of the Group's employees resign or the Issuer's major shareholder cease to exercise major influence, it could materially adversely affect the Group's successful development and business operations.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise the Issuer considers the potential negative impact to be *medium*.

Influence of major shareholders

As of 31 March 2024, Sven-Olof Johansson owned 70 per cent of the shares and votes in the Issuer. The major ownership control implies a great influence over the Issuer by Sven-Olof Johansson, who may exercise influence, among other things, in matters that are put to a vote at general meetings of the shareholders, e.g. election of the board of directors and the Group's long-term direction. There is a risk that the interest of the major shareholder deviates from the interest of the holders of Bonds or that the major shareholder otherwise makes decisions that prove unfavourable for the bond investors' possibility to obtain payment under the Bonds.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise the Issuer considers the potential negative impact to be *low*.

RISK FACTORS SPECIFIC AND MATERIAL TO THE BONDS

Risks related to the nature of the Bonds

Dependence on subsidiaries, structural subordination and insolvency of subsidiaries

All real estate assets are owned by and all real estate revenues are generated in subsidiaries of the Issuer. Accordingly, the Issuer is dependent upon receipt of sufficient income related to the operation of and the ownership in such entities to enable it to make payments under the Bonds. The Issuer's subsidiaries are legally separate and distinct from the Issuer and have no obligation to pay amounts due with respect to the Issuer's obligations and commitments, including the Bonds, or to make funds available for such payments. The ability of the Issuer's subsidiaries to make such payments to the Issuer is subject to, among other things, the availability of funds and should the Issuer not receive sufficient funds, the investor's ability to receive payment in accordance with the terms and conditions of the Bonds (the "**Terms and Conditions**") could be adversely affected. This can also lead to a market pricing the Bonds with a higher risk premium, which would have a negative effect on the value of the Bonds on the secondary market.

Should the value of the business conducted in the subsidiaries or the associated companies decrease, and/or should the Issuer not receive sufficient income from its subsidiaries and associated companies, the investor's ability to receive payment under the Terms and Conditions may be adversely affected. The Issuer considers the probability of the risk occurring to be *low*. If the risk were to occur, the Issuer considers the potential negative impact to be *high*.

Preferential rights

As part of its financing, Fastpartner has obtained loans from credit institutions by pledging mortgage certificates (Sw. *pantbrev*) over certain properties and certain share certificates in its property-owning subsidiaries. As of 31 March 2024, Fastpartner has for its secured borrowings pledge mortgage certificates of a total amount of SEK 11,965.7 million. Loans of this kind normally constitute a preferential claim on the Group. Fastpartner also intends to continue to seek effective and advantageous financing, why further pledges may be given in conjunction with new loans of this kind. Such new loans will normally also constitute preferential claims on the Group.

The Bonds constitute non-preferential obligations on the part of the Issuer. This means that if the Issuer is subject to winding-up (Sw. *likvidation*) procedures, undergoes corporate reorganisation or is declared bankrupt, holders

of Bonds will normally receive payment after any preferential creditors, who normally have preferential rights to certain assets, have been paid in full.

The Issuer considers that the probability of the above risks occurring is *medium*. If the risks would materialise the Issuer considers the potential negative impact to be *medium*.

Liquidity risk

Active trading in the Bonds does not always occur and there is a risk that a liquid market for trading in the Bonds will not form or will not be maintained, even if the Bonds are listed. This risk is particularly prominent in times of volatility at the capital markets. As a result, the investors may be unable to sell their Bonds when desired or at a favourable price level that allows for a profit comparable to similar investments traded on an active and functioning secondary market. Lack of liquidity in the market may have a negative impact on the market value of the Bonds. It should also be noted that during any given period of time it may be difficult or impossible to sell the Bonds (at all or at reasonable terms) due to, for example, severe price fluctuations, close-down of the relevant market or trade restrictions imposed on the market.

The Issuer considers that the probability of the above risks occurring is *medium*. If the risks would materialise the Issuer considers the potential negative impact to be *medium*.

Risks related to acceleration of the Bonds and put options

Upon the occurrence of an Event of Default (as specified in the Terms and Conditions), the Bonds may be accelerated at the terms and price set out in the Terms and Conditions. Furthermore, upon the occurrence of a Change of Control, a De-listing or Listing Failure (each as defined in the Terms and Conditions), the Bonds will be subject to prepayment at the option of each investor (put option) at the terms and price set out in the Terms and Conditions. There can be no assurance that the Issuer will have sufficient funds at the time of such prepayment or acceleration to make the required redemption of, or payment in respect of, the Bonds. Apart from that an investor could lose part of, or its entire investment, this could in turn adversely affect the Issuer, e.g. by causing illiquidity, insolvency or an Event of Default under the Terms and Conditions, and consequently adversely affect all investors, and not only those that choose to exercise the option.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise, the Issuer considers the potential negative impact as *medium*.

Voluntary early redemption

The Issuer has, pursuant to the Terms and Conditions, reserved a right to redeem the Bonds in full prior to its final maturity. The mere possibility for the Issuer to exercise its right to early redemption could significantly affect the market value of the Bonds. During a period when the Issuer is entitled to voluntarily redeem the Bonds, the market value of the Bonds will most likely not be significantly higher than the redemption price set out in the Terms and Conditions. Such effects could also arise prior to the actual redemption period.

If the Issuer exercises its right to early redemption of the Bonds when the market value of the Bonds is higher than the relevant redemption price, it could affect the investors' possibilities to re-invest the repaid amount on the same terms as the terms of the redeemed Bonds. It is further possible that the Issuer will not have sufficient funds at the time of the mandatory prepayment to carry out the required redemption of Bonds.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise, the Issuer considers the potential negative impact as *low*.

Risks related to the admission of the Bonds to trading on a regulated market

The market price of the Bonds may be volatile

The market price of the Bonds could be subject to significant fluctuations in response to actual or anticipated variations in the Group's and its competitors' operating income, adverse business development, changes to the regulatory environment in which the Group operates, changes in financial estimates by security analysts and actual

or expected sale of a large number of Bonds, as well as other factors. In addition, in recent years the global financial markets have experienced significant price and volume fluctuations which, if repeated in the future, could adversely affect the market price of the Bonds.

The Issuer considers that the probability of the above risks occurring is *low*. If the risks would materialise the Issuer considers the potential negative impact to be *low*.

The following summary does not purport to describe all of the applicable terms and conditions of such agreements.

Bond loans

The terms contain certain undertakings, for example maintaining the interest rate and loan-to-value ratio and a so-called change of control clause, which means that the lender can demand repayment of the loan in advance if Sven-Olof Johansson (or his relatives) ceases to exercise direct or indirect control over the Issuer.

In 2023, Fastpartner entered into a SEK 650 million loan agreement with Stadshypotek AB (publ) with maturity in 2028. The terms contain certain undertakings, for example maintaining the interest rate and loan-to-value ratio and a so-called change of control clause, which means that the lender can demand repayment of the loan in advance if Sven-Olof Johansson (or his relatives) ceases to exercise direct or indirect control over the Issuer.

The Issuer's credit rating from Scope Ratings corresponding to "Investment Grade" has thus been affirmed in September 2023. 5.2.2 The Agent shall promptly confirm to the Issuing Agent when it is satisfied that the conditions in Clause 5.2.1 have been fulfilled (or amended or waived in accordance with Clause 18 (*Amendments and waivers*)). The relevant Issue Date shall not occur (i) unless the Agent makes such confirmation to the Issuing Agent no later than 11.00 a.m. one (1) Business Day prior to the relevant Issue Date (or later, if the Issuing Agent so agrees) or (ii) if the Issuing Agent and the Issuer agree to postpone the relevant Issue Date.

- 5.2.3 Following receipt by the Issuing Agent of the confirmation in accordance with Clause 5.2.2, the Issuing Agent shall settle the issuance of any Subsequent Bonds and pay the Net Proceeds of such Subsequent Bond Issue to the Issuer on the Issue Date in respect of such Subsequent Bonds.

6. THE BONDS AND TRANSFERABILITY

- 6.1 Each Holder is bound by these Terms and Conditions without there being any further actions required to be taken or formalities to be complied with.
- 6.2 The Bonds are freely transferable. All Bond transfers are subject to these Terms and Conditions and these Terms and Conditions are automatically applicable in relation to all Bond transferees upon completed transfer.
- 6.3 Upon a transfer of Bonds, any rights and obligations under these Terms and Conditions relating to such Bonds are automatically transferred to the transferee.
- 6.4 Notwithstanding anything to the contrary herein, a Holder which allegedly has purchased Bonds in contradiction to applicable mandatory restrictions may nevertheless utilise its voting rights under these Terms and Conditions and shall be entitled to exercise its full rights as a Holder hereunder in each case until such allegations have been resolved.

7. BONDS IN BOOK-ENTRY FORM

- 7.1 The Bonds will be registered for the Holders on their respective Securities Accounts and no physical Bonds will be issued. Accordingly, the Bonds will be registered in accordance with the Central Securities Depositories and Financial Instruments Accounts Act. Registration requests relating to the Bonds shall be directed to an Account Operator. The Debt Register shall constitute conclusive evidence of the persons who are Holders and their holdings of Bonds at the relevant point of time.
- 7.2 Those who according to assignment, security, the provisions of the Swedish Children and Parents Code (Sw. *föräldrabalken (1949:381)*), conditions of will or deed of gift or otherwise have acquired a right to receive payments in respect of a Bond shall register their entitlements to receive payment in accordance with the Central Securities Depositories and Financial Instruments Accounts Act.
- 7.3 The Issuer (and the Agent when permitted under the CSD Regulations) shall at all times be entitled to obtain information from the Debt Register. At the request of the Agent, the Issuer shall promptly obtain such information and provide it to the Agent.
- 7.4 For the purpose of carrying out any administrative procedure that arises out of these Terms and Conditions, the Issuing Agent shall be entitled to obtain information from the Debt Register.
- 7.5 The Issuer shall issue any necessary power of attorney to such persons employed by the Agent, as notified by the Agent, in order for such individuals to independently obtain information directly from the Debt Register. The Issuer may not revoke any such power of attorney unless directed by the Agent or unless consent thereto is given by the Holders.
- 7.6 At the request of the Agent, the Issuer shall promptly obtain information from the Debt Register and provide it to the Agent.

7.7 The Issuer (and the Agent when permitted under the CSD Regulations) may use the information referred to in Clause 7.3 only for the purposes of carrying out their duties and exercising their rights in accordance with these Terms and Conditions and shall not disclose such information to any Holder or third party unless necessary for such purposes.

8. RIGHT TO ACT ON BEHALF OF A HOLDER

8.1 If any Person other than a Holder (including the owner of a Bond, if such person is not the Holder) wishes to exercise any rights under these Terms and Conditions, it must obtain a power of attorney or other authorisation from the Holder or a successive, coherent chain of powers of attorney or authorisations, a certificate from the authorised nominee or other sufficient authorisation, starting with the Holder and authorising such Person.

8.2 A Holder may issue one or several powers of attorney or other authorisations to third parties to represent it in relation to some or all of the Bonds held by it. Any such representative may act independently under these Terms and Conditions in relation to the Bonds for which such representative is entitled to represent the Holder.

8.3 The Agent shall only have to examine the face of a power of attorney or other authorisation that has been provided to it pursuant to Clauses 8.1 and 8.2 and may assume that such document has been duly authorised, is valid, has not been revoked or superseded and that it is in full force and effect, unless otherwise is apparent from its face or the Agent has actual knowledge to the contrary.

8.4 These Terms and Conditions shall not affect the relationship between a Holder who is the nominee (*Sw. förvaltare*) with respect to a Bond and the owner of such Bond, and it is the responsibility of such nominee to observe and comply with any restrictions that may apply to it in this capacity.

9. PAYMENTS IN RESPECT OF THE BONDS

9.1 Any payment or repayment under these Terms and Conditions shall be made to such Person who is registered as a Holder on the Record Date prior to an Interest Payment Date or other relevant payment date, or to such other Person who is registered with the CSD on such Record Date as being entitled to receive the relevant payment, repayment or repurchase amount.

9.2 If a Holder has registered, through an Account Operator, that principal, interest and any other payment that shall be made under these Terms and Conditions shall be deposited in a certain bank account; such deposits will be effectuated by the CSD on the relevant payment date. If a bank account has not been registered on the applicable Record Date for the relevant payment, no payment will be effected by the CSD to such Holder. The outstanding amount will instead be held by the Issuer until the person that was registered as a Holder on the relevant Record Date has made a valid request for such amount. Should the CSD, due to a delay on behalf of the Issuer or some other obstacle, not be able to effectuate payments as aforesaid, the Issuer shall procure that such amounts are paid as soon as possible after such obstacle has been removed.

- 9.3 If, due to any obstacle for the CSD, the Issuer cannot make a payment or repayment, such payment or repayment may be postponed until the obstacle has been removed. Interest shall accrue in accordance with Clause 10.4 during such postponement.
- 9.4 If payment or repayment is made in accordance with this Clause 9, the Issuer shall be deemed to have fulfilled their obligation to pay, irrespective of whether such payment was made to a Person not entitled to receive such amount, unless the Issuer has actual knowledge of the fact that the payment was made to the wrong person.
- 9.5 The Issuer shall pay any stamp duty and other public fees accruing in connection with the Initial Bond Issue or a Subsequent Bond Issue, but not in respect of trading in the secondary market (except to the extent required by applicable law), and shall deduct at source any applicable withholding tax payable pursuant to law. The Issuer shall not be liable to reimburse any stamp duty or public fee or to gross-up any payments under these Terms and Conditions by virtue of any withholding tax, public levy or similar.

10. INTEREST

- 10.1 The Initial Bonds will bear Interest at the Interest Rate applied to the Nominal Amount from (but excluding) the First Issue Date up to (and including) the relevant Redemption Date. Any Subsequent Bond will carry Interest at the Interest Rate applied to the Nominal Amount from (but excluding) the Interest Payment Date falling immediately prior to its Issue Date (or the First Issue Date if there is no such Interest Payment Date) up to (and including) the relevant Redemption Date.
- 10.2 Interest accrues during an Interest Period. Payment of Interest in respect of the Bonds shall be made quarterly in arrears to the Holders on each Interest Payment Date for the preceding Interest Period.
- 10.3 Interest shall be calculated on the basis of the actual number of calendar days in the Interest Period in respect of which payment is being made divided by 360 (actual/360-days basis). Interest shall never be calculated as being an amount less than zero (0).
- 10.4 If the Issuer fails to pay any amount payable by it under these Terms and Conditions on its due date, default interest shall accrue on the overdue amount from, but excluding, the due date up to and including the date of actual payment at a rate which is two hundred (200.00) basis points higher than the Interest Rate. Accrued default interest shall not be capitalised. No default interest shall accrue where the failure to pay was solely attributable to the Agent or the CSD, in which case the Interest Rate shall apply instead.

11. REDEMPTION AND REPURCHASE OF THE BONDS

11.1 Redemption at maturity

The Issuer shall redeem all, but not only some, of the Bonds in full on the Final Redemption Date (or, to the extent such day is not a Business Day and if permitted under the CSD Regulations, on the Business Day following from an application of the Business Day

Convention, and otherwise on the first following Business Day) with an amount per Bond equal to the Nominal Amount together with accrued but unpaid Interest.

11.2 The Group's purchase of Bonds

11.2.1 Each Group Company may, subject to applicable regulations, at any time and at any price purchase Bonds on the market or in any other way.

11.2.2 Bonds held by a Group Company may at such Group Company's discretion be retained or sold, but not cancelled, except in connection with a redemption of the Bonds in full or repurchase of all Bonds not already held by the Group Companies.

11.3 Early voluntary redemption by the Issuer (call option)

11.3.1 The Issuer may redeem all, but not only some, of the Bonds in full on any Business Day falling after the Existing Bonds Redemption Date, but before the Final Redemption Date, at the applicable Call Option Price together with accrued but unpaid Interest.

11.3.2 Redemption in accordance with Clause 11.3.1 shall be made by the Issuer giving not less than fifteen (15) Business Days' notice to the Holders and the Agent calculated from the effective date of the notice. Any such notice shall state the Redemption Date and the relevant Record Date. Such notice is irrevocable but may, at the Issuer's discretion, contain one or more conditions precedent that shall be fulfilled prior to the Record Date. Upon expiry of such notice and the fulfilment of the conditions precedent (if any), the Issuer is bound to redeem the Bonds in full at the applicable amount on the specified Redemption Date.

11.4 Mandatory repurchase due to a Change of Control Event, Bond De-listing Event or Listing Failure (put option)

11.4.1 Upon a Change of Control Event, Bond De-listing Event or Listing Failure occurring, each Holder shall have the right to request that all, or only some, of its Bonds are repurchased (whereby the Issuer shall have the obligation to repurchase such Bonds) at a price per Bond equal to one hundred and one (101.00) per cent. of the Nominal Amount together with accrued but unpaid Interest during a period of thirty (30) calendar days following a notice from the Issuer of the relevant event pursuant to paragraph (f) of Clause 12.10.1. The thirty (30) calendar days' period may not start earlier than upon the occurrence of the Change of Control Event, the Bond De-listing Event or Listing Failure.

11.4.2 The notice from the Issuer pursuant to paragraph (f) of Clause 12.10.1 shall specify the repurchase date and include instructions about the actions that a Holder needs to take if it wants Bonds held by it to be repurchased. If a Holder has so requested, and acted in accordance with the instructions in the notice from the Issuer, the Issuer, or a Person designated by the Issuer, shall repurchase the relevant Bonds and the repurchase amount shall fall due on the repurchase date specified in the notice given by the Issuer pursuant to paragraph (f) of Clause 12.10.1. The repurchase date must fall no later than twenty (20) Business Days after the end of the period referred to in Clause 11.4.1.

11.4.3 The Issuer shall not be required to repurchase any Bonds pursuant to this Clause 11.4, if a third party in connection with the occurrence of a Change of Control Event, Bond De-listing Event or Listing Failure, as applicable, offers to purchase all Bonds in the manner and on the terms set

out in this Clause 11.4 (or on terms more favourable to the Holders) and purchases all Bonds validly tendered in accordance with such offer. If the Bonds tendered are not purchased within the time limits stipulated in this Clause 11.4, the Issuer shall repurchase any such Bonds within five (5) Business Days after the expiry of the time limit.

11.4.4 The Issuer shall not be required to repurchase any Bonds pursuant to this Clause 11.4 in connection with the occurrence of a Change of Control Event if the call option has been exercised pursuant to Clause 11.3 (*Early voluntary redemption by the Issuer (call option)*) by way of a call notice which has become unconditional on or before the end of the exercise period.

11.5 **Miscellaneous**

The Issuer shall comply with the requirements of any applicable securities regulations in connection with any redemption or repurchase of Bonds. To the extent that the provisions of such regulations conflict with the provisions in this Clause 11, the Issuer shall comply with the applicable securities regulations and will not be deemed to have breached its obligations under this Clause 11 by virtue of the conflict.

12. **SPECIAL UNDERTAKINGS**

So long as any Bond remains outstanding, the Issuer undertakes to comply with the special undertakings set forth in this Clause 12.

12.1 **Distributions**

- (a) any Group Company if such Restricted Payment is made to a Group Company and, if made by a Subsidiary which is not directly or indirectly wholly-owned by the Issuer, is made on a *pro rata* basis; or
- (b) the Issuer, provided that the Incurrence Test is met and the aggregate amount of all Restricted Payments made by the Issuer in a financial year (including the Restricted Payment in question but excluding any Restricted Payment made in accordance with paragraph (a) above) does not exceed the lower of (i) an amount equal to fifty (50.00) per cent. of the Issuer's net profit according to the annual audited unconsolidated financial statements of the Issuer for the previous financial year (without carry back and carry forward) and (ii) SEK 100,000,000.

12.2 **Admission to trading of the Bonds**

The Issuer shall ensure that the Initial Bonds and any Subsequent Bonds are admitted to trading on the corporate bond list of Nasdaq Stockholm or, if such admission to trading is not possible to obtain or maintain, admitted to trading on another Regulated Market, within twelve (12) months after the relevant Issue Date.

12.3 **Nature of business**

The Issuer shall procure that no substantial change is made to the general nature of the business as carried out by the Group on the First Issue Date.

12.4 **Debt restrictions**

The Issuer shall not and shall ensure that no Subsidiary (other than Fastpartner) (i) issue any Market Loans (excluding, for the avoidance of doubt, the Existing Bonds and any issue of Subsequent Bonds) with final redemption dates or where applicable, early redemption dates or instalment dates which occur before the Final Redemption Date, or (ii) issue any Secured Market Loans, other than Secured Market Loans incurred in order to fully refinance the Bonds and provided further that such Financial Indebtedness is subject to an escrow arrangement up until the redemption of the Bonds.

12.5 **Investment restrictions**

The Issuer shall together with its Financial Reports, deliver a Compliance Certificate covering the compliance of said Investment Restriction to the Agent.

12.6 **Disposals of assets**

The Issuer shall not, and shall procure that none of the Subsidiaries (other than Fastpartner), sell or otherwise dispose of shares in any Material Group Company or of all or substantially all of its or any Material Group Company's assets or operations to any Person not being the Issuer or any of the wholly owned Subsidiaries, unless the transaction (taken as a whole also taking into account any transaction ancillary or related thereto) is carried out at fair market value and on terms and conditions customary for such transaction and provided that the transaction does not have a Material Adverse Effect. The Issuer shall notify the Agent of any such transaction if such transaction is material (in accordance with Clause 12.10.2) and, upon request by the Agent, provide the Agent with any information relating to the transaction which the Agent deems necessary (acting reasonably).

12.7 **Dealings with related parties**

The Issuer shall, and shall procure that the Subsidiaries, conduct all dealings with the direct and indirect shareholders of the Group Companies (excluding when such shareholder is another Group Company) and/or any Affiliates of such direct and indirect shareholders at arm's length terms.

12.8 **Compliance with laws etcetera**

The Issuer shall, and shall procure that the Subsidiaries, (i) comply in all material respects with all laws and regulations applicable from time to time, including but not limited to the rules and regulations of Nasdaq Stockholm, or any other Regulated Market or recognised unregulated market place on which the Issuer's securities from time to time are listed or admitted to trading, and (ii) obtain, maintain, and in all material respects comply with, the terms and conditions of any authorisation, approval, licence or other permit required for the business carried out by a Group Company.

12.9 **Maintenance Test**

The Issuer shall ensure that the Maintenance Test is met for as long as any Bond is outstanding. The Maintenance Test shall be tested on each Reference Date for the period ending on such Reference Date. The first Reference Date shall be 30 June 2024.

12.10 **Financial reporting etcetera**

12.10.1 The Issuer shall:

- (d) issue a Compliance Certificate to the Agent (i) when a Financial Report is made available, (ii) in connection with any Subsequent Bond Issue or payment of a Restricted Payment (which requires that the Incurrence Test is met), and (iii) at the Agent's reasonable request, within twenty (20) calendar days from such request;
- (e) keep the latest version of these Terms and Conditions (including documents amending these Terms and Conditions) available on its website;
- (f) promptly notify the Agent (and, as regards a Change of Control Event, a Bond De-listing Event or a Listing Failure, the Holders) upon becoming aware of the occurrence of a Change of Control Event, a Bond De-listing Event, a Listing Failure or an Event of Default, and shall provide the Agent with such further information as the Agent may request (acting reasonably) following receipt of such notice; and

any other Regulated Market, as applicable) (as amended from time to time) and the Swedish Securities Market Act (*Sw. lag (2007:528) om värdepappersmarknaden*) (as amended from time to time).

12.10.2 The Issuer shall notify the Agent of any such material transaction which is not within the ordinary course of business as referred to in Clause 12.6 (*Disposals of assets*) and the Issuer shall, upon request by the Agent, provide the Agent with (i) any information relating to such transaction which the Agent deems necessary (acting reasonably), and (ii) a determination from the Issuer which states whether the transaction is carried out on an arm's length basis and on terms and conditions customary for such transaction or not and whether it has a Material Adverse Effect or not. The Agent may assume that any information provided by the Issuer is correct, and the Agent shall not be responsible or liable for the adequacy, accuracy or completeness of such information. The Agent is not responsible for assessing if the transaction is carried out on an arm's length basis and on terms and conditions customary for such transaction and whether it has a Material Adverse Effect, but is not bound by the Issuer's determination under paragraph (ii) above.

12.11.2 The Issuer and the Agent shall not agree to amend any provisions of the Agent Agreement without the prior consent of the Holders if the amendment would be detrimental to the interests of the Holders.

12.12 **CSD related undertakings**

The Issuer shall keep the Bonds affiliated with a CSD and comply with all CSD Regulations applicable to the Issuer from time to time.

13. **TERMINATION OF THE BONDS**

13.1 The Agent is entitled to, and shall following a demand in writing from a Holder (or Holders) representing at least fifty (50.00) per cent. of the Adjusted Nominal Amount (such demand may only be validly made by a Person who is a Holder on the second Business Day following the day on which the demand is received by the Agent and shall, if made by several Holders, be made by them jointly) or following an instruction or decision pursuant to Clause 13.6 or 13.7, on behalf of the Holders, terminate the Bonds and to declare all, but not only some, of the Bonds due for payment immediately or at such later date as the Agent determines (such later date not

falling later than twenty (20) Business Days from the date on which the Agent made such declaration), if:

- (a) **Non-payment:** The Issuer fails to pay an amount on the date it is due in accordance with these Terms and Conditions unless its failure to pay is due to technical or administrative error and is remedied within five (5) Business Days of the due date;
- (b) **Other obligations:** The Issuer does not comply with these Terms and Conditions in any other way than as set out under item (a) above, unless the non-compliance (i) is capable of being remedied and (ii) is remedied within fifteen (15) Business Days of the earlier of the Agent giving notice and the Issuer becoming aware of the non-compliance (if the failure or violation is not capable of being remedied, the Agent may declare the Bonds payable without such prior written request);
- (c) **Cross-default/acceleration:**
 - (i) Any Financial Indebtedness of any Material Group Company is not paid when due nor within any originally applicable grace period or is declared to be or otherwise becomes due and payable prior to its specified maturity as a result of an event of default howsoever described under any document relating to Financial Indebtedness of any Material Group Company; or
 - (ii) any security interest securing Financial Indebtedness over any asset of any Material Group Company is enforced;

provided however that the amount of Financial Indebtedness referred to under item (i) and/or (ii) above, individually or in the aggregate exceeds an amount corresponding to SEK 30,000,000 and provided that it does not apply to any Financial Indebtedness owed to a Group Company;

- (d) **Insolvency:**
 - (i) Any Material Group Company is unable or admits inability to pay its debts as they fall due or is declared to be unable to pay its debts under applicable law, suspends making payments on its debts generally or, by reason of actual or anticipated financial difficulties, commences negotiations with its creditors generally (other than under these Terms and Conditions) with a view to rescheduling its Financial Indebtedness; or
 - (ii) a moratorium is declared in respect of the Financial Indebtedness of any Material Group Company;
- (e) **Insolvency proceedings:** Any corporate action, legal proceedings or other procedures are taken (other than (i) proceedings or petitions which are being disputed in good faith and are discharged, stayed or dismissed within thirty (30) calendar days of commencement or, if earlier, the date on which it is advertised and (ii), in relation to the Subsidiaries, solvent liquidations) in relation to:
 - (i) the suspension of payments, winding-up, dissolution, administration or reorganisation (*Sw. företagsrekonstruktion*) (by way of voluntary agreement, scheme of arrangement or otherwise) of any Material Group Company;

- (ii) the appointment of a liquidator, receiver, administrator, administrative receiver, compulsory manager or other similar officer in respect of any Material Group Company or any of its assets; or
 - (iii) any analogous procedure or step is taken in any jurisdiction in respect of any Material Group Company;
- (f) **Mergers and demergers:**
- (i) A decision is made that any Material Group Company shall be merged or demerged into a company which is not a Group Company, unless the Agent has given its consent in writing prior to the merger and/or demerger (where consent is not to be understood as a waiver of the rights that applicable law at the time assigns the concerned creditors); or
 - (ii) the Issuer merges with any other Person, or is subject to a demerger, with the effect that the Issuer is not the surviving entity;
- (g) **Creditors' process:** Any expropriation, attachment, sequestration, distress or execution or any analogous process in any jurisdiction affects any asset or assets of any Material Group Company having an aggregate value equal to or exceeding SEK 30,000,000 and is not discharged within thirty (30) calendar days;
- (h) **Impossibility or illegality:** It is or becomes impossible or unlawful for the Issuer to fulfil or perform any of the provisions of these Terms and Conditions or if the obligations under these Terms and Conditions are not, or cease to be, legal, valid, binding and enforceable; or
- (i) **Continuation of the business:** The Issuer or any other Material Group Company ceases to carry on its business (except if due to (i) a permitted merger or demerger as stipulated in paragraph (f) (*Merger and demergers*) of this Clause 13.1 or (ii) a permitted disposal as stipulated in Clause 12.6 (*Disposals of assets*)).
- 13.2 The Agent may not terminate the Bonds in accordance with Clause 13.1 by reference to a specific Event of Default if it is no longer continuing or if it has been decided, in accordance with these Terms and Conditions, to waive such Event of Default (temporarily or permanently).
- 13.3 If the right to terminate the Bonds is based upon a decision of a court of law or a government authority, it is not necessary that the decision has become enforceable under law or that the period of appeal has expired in order for cause of termination to be deemed to exist.
- 13.4 The Issuer is obliged to inform the Agent immediately if any circumstance of the type specified in Clause 13.1 should occur. Should the Agent not receive such information, the Agent is entitled to assume that no such circumstance exists or can be expected to occur, provided that the Agent does not have knowledge of such circumstance. The Agent is under no obligations to make any investigations relating to the circumstances specified in Clause 13.1. The Issuer shall further, at the request of the Agent, provide the Agent with details of any circumstances referred to in Clause 13.1 and provide the Agent with all documents that may be of significance for the application of this Clause 13.

- 13.5 The Issuer is only obliged to inform the Agent according to Clause 13.4 if informing the Agent would not conflict with any statute or the Issuer's registration contract with Nasdaq Stockholm (or any other Regulated Market, as applicable). If such a conflict would exist pursuant to the listing contract with Nasdaq Stockholm (or any other Regulated Market, as applicable) or otherwise, the Issuer shall however be obliged to either seek the approval from Nasdaq Stockholm (or any other Regulated Market, as applicable) or undertake other reasonable measures, including entering into a non-disclosure agreement with the Agent, in order to be able to timely inform the Agent according to Clause 13.4.
- 13.6 If the Agent has been notified by the Issuer or has otherwise determined that there is a default under these Terms and Conditions according to Clause 13.1, the Agent shall (i) notify, within five (5) Business Days of the day of notification or determination, the Holders of the default and (ii) decide, within twenty (20) Business Days of the day of notification or determination, if the Bonds shall be declared terminated. If the Agent has decided not to terminate the Bonds, the Agent shall, at the earliest possible date, notify the Holders that there exists a right of termination and obtain instructions from the Holders according to the provisions in Clause 15 (*Decisions by Holders*). If the Holders vote in favour of termination and instruct the Agent to terminate the Bonds, the Agent shall promptly declare the Bonds terminated. However, if the cause for termination according to the Agent's appraisal has ceased before the termination, the Agent shall not terminate the Bonds. The Agent shall in such case, at the earliest possible date, notify the Holders that the cause for termination has ceased. The Agent shall always be entitled to take the time necessary to consider whether an occurred event constitutes an Event of Default.
- 13.7 If the Holders, without any prior initiative to decision from the Agent or the Issuer, have made a decision regarding termination in accordance with Clause 15 (*Decisions by Holders*), the Agent shall promptly declare the Bonds terminated. The Agent is however not liable to take action if the Agent considers cause for termination not to be at hand, unless the instructing Holders agree in writing to indemnify and hold the Agent harmless from any loss or liability and, if requested by the Agent in its discretion, grant sufficient security for such indemnity.
- 13.8 If the Bonds are declared due and payable in accordance with the provisions in this Clause 13, the Agent shall take such actions as may, in the opinion of the Agent, be necessary or desirable to enforce the rights of the Holders under the Finance Documents.
- 13.9 For the avoidance of doubt, the Bonds cannot be terminated and become due for payment prematurely according to this Clause 13 without relevant decision by the Agent or following instructions from the Holders' pursuant to Clause 15 (*Decisions by Holders*).
- 13.10 If the Bonds are declared due and payable, the Issuer shall redeem all Bonds with an amount per Bond equal to paragraph (b) of the definition of Call Option Price (plus accrued and unpaid Interest) or, if the Bonds are accelerated before the First Call Date, at the price set out in paragraph (a) of the definition of Call Option Price (plus accrued and unpaid Interest).

14. DISTRIBUTION OF PROCEEDS

- 14.1 If the Bonds have been declared due and payable in accordance with Clause 13 (*Termination of the Bonds*), all payments by the Issuer relating to the Bonds shall be distributed in the following order of priority, in accordance with the instructions of the Agent:

- (a) *first*, in or towards payment *pro rata* of (i) all unpaid fees, costs, expenses and indemnities payable by the Issuer to the Agent under the Terms and Conditions and Agent Agreement (other than any indemnity given for liability against the Holders), (ii) other costs, expenses and indemnities relating to the acceleration of the Bonds or the protection of the Holders' rights, (iii) any non-reimbursed costs incurred by the Agent for external experts, and (iv) any non-reimbursed costs and expenses incurred by the Agent in relation to a Holders' Meeting or a Written Procedure;
- (b) *secondly*, in or towards payment *pro rata* of accrued but unpaid Interest under the Bonds (Interest due on an earlier Interest Payment Date to be paid before any Interest due on a later Interest Payment Date);
- (c) *thirdly*, in or towards payment *pro rata* of any unpaid principal under the Bonds; and
- (d) *fourthly*, in or towards payment *pro rata* of any other costs or outstanding amounts unpaid under these Terms and Conditions, including any default interest.

Any excess funds after the application of proceeds in accordance with paragraphs (a) to (d) above shall be paid to the Issuer. The application of proceeds in accordance with paragraphs (a) to (d) above shall, however, not restrict a Holders' Meeting or a Written Procedure from resolving that accrued Interest (whether overdue or not) shall be reduced without a corresponding reduction of principal.

- 14.2 If a Holder or another party has paid any fees, costs, expenses or indemnities referred to in Clause 14.1, such Holder or other party shall be entitled to reimbursement by way of a corresponding distribution in accordance with Clause 14.1.
- 14.3 Funds that the Agent receives (directly or indirectly) in connection with the termination of the Bonds constitute escrow funds (Sw. *redovisningsmedel*) according to the Escrow Funds Act (Sw. *lag (1944:181) om redovisningsmedel*) and must be held on a separate interest-bearing account on behalf of the Holders and the other interested parties. The Agent shall arrange for payments of such funds in accordance with this Clause 14 as soon as reasonably practicable.
- 14.4 If the Issuer or the Agent shall make any payment under this Clause 14, the Issuer or the Agent, as applicable, shall notify the Holders of any such payment at least fifteen (15) Business Days before the payment is made. Such notice shall specify the Record Date, the payment date and the amount to be paid. Notwithstanding the foregoing, for any Interest due but unpaid the Record Date specified in Clause 9.1 shall apply.

15. DECISIONS BY HOLDERS

- 15.1 A request by the Agent for a decision by the Holders on a matter relating to these Terms and Conditions shall (at the option of the Agent) be dealt with at a Holders' Meeting or by way of a Written Procedure.
- 15.2 Any request from the Issuer or a Holder (or Holders) representing at least ten (10.00) per cent. of the Adjusted Nominal Amount (such request may only be validly made by a Person who is a Holder on the Business Day immediately following the day on which the request is received by the Agent and shall, if made by several Holders, be made by them jointly) for a decision by the

Holders on a matter relating to these Terms and Conditions shall be directed to the Agent and dealt with at a Holders' Meeting or by way of a Written Procedure, as determined by the Agent. The Person requesting the decision may suggest the form for decision making, but if it is in the Agent's opinion more appropriate that a matter is dealt with at a Holders' Meeting than by way of a Written Procedure, it shall be dealt with at a Holders' Meeting.

15.3 The Agent may refrain from convening a Holders' Meeting or instigating a Written Procedure if (i) the suggested decision must be approved by any Person in addition to the Holders and such Person has informed the Agent that an approval will not be given, or (ii) the suggested decision is not in accordance with applicable laws.

15.4 The Agent shall not be responsible for the content of a notice for a Holders' Meeting or a communication regarding a Written Procedure unless and to the extent it contains information provided by the Agent.

15.5 Should the Agent not convene a Holders' Meeting or instigate a Written Procedure in accordance with these Terms and Conditions, without Clause 15.3 being applicable, the Issuer or the Holder(s) requesting a decision by the Holders may convene such Holders' Meeting or instigate such Written Procedure, as the case may be, instead. The Issuer and/or the Issuing Agent shall upon request by the convening Holder(s) provide such Holder(s) with the information available in the Debt Register in order to convene and hold the Holders' Meeting or instigate and carry out the Written Procedure, as the case may be. The Issuer or Holder(s), as applicable, shall supply to the Agent a copy of the dispatched notice or communication.

15.6 The Issuer shall inform the Agent before a notice for a Holders' Meeting or communication relating to a Written Procedure where the Agent is proposed to be replaced is sent and supply to the Agent a copy of the dispatched notice or communication.

15.7 Only a Person who is, or who has been provided with a power of attorney or other proof of authorisation pursuant to Clause 8 (*Right to act on behalf of a Holder*) from a Person who is, registered as a Holder:

- (a) on the Record Date prior to the date of the Holders' Meeting, in respect of a Holders' Meeting, or
- (b) on the Business Day specified in the communication pursuant to Clause 17.3, in respect of a Written Procedure,

may exercise voting rights as a Holder at such Holders' Meeting or in such Written Procedure, provided that the relevant Bonds are included in the definition of Adjusted Nominal Amount.

15.8 The following matters shall require consent of Holders representing at least two thirds (2/3) of the Adjusted Nominal Amount for which Holders are voting at a Holders' Meeting or for which Holders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 17.3:

- (a) waive a breach of or amend an undertaking set out in Clause 12 (*Special undertakings*);
- (b) a change of issuer;
- (c) amend the terms of Clause 3 (*Status of the Bonds*);

- (d) a mandatory exchange of Bonds for other securities;
 - (e) reduce the principal amount, premiums in connection with redemption or repurchase of any Bonds, Interest Rate or Interest which shall be paid by the Issuer (other than as a result of an application of Clause 19 (*Replacement of Base Rate*));
 - (f) amend any payment day for principal or Interest or waive any breach of a payment undertaking; or
 - (g) amend the provisions in this Clause 15.8 or 15.9.
- 15.9 Any matter not covered by Clause 15.8 shall require the consent of Holders representing more than fifty (50.00) per cent. of the Adjusted Nominal Amount for which Holders are voting at a Holders' Meeting or for which Holders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 16.3. This includes, but is not limited to, any amendment to or waiver of these Terms and Conditions that does not require a higher majority (other than an amendment or waiver permitted pursuant to paragraphs (a), (b), (c) or (d) of Clause 18.1 (*Amendments and waivers*)) or a termination of the Bonds.
- 15.10 If the number of votes or replies are equal, the opinion which is most beneficial for the Issuer, according to the chairman at the Holders' Meeting or the Agent in a Written Procedure, will prevail. The chairman at a Holders' Meeting shall be appointed by the Holders in accordance with Clause 15.9.
- 15.11 Quorum at a Holders' Meeting or in respect of a Written Procedure only exists if Holder (or Holders) representing at least twenty (20.00) per cent. of the Adjusted Nominal Amount:
- (a) if at a Holders' Meeting, attend the meeting in person or by telephone conference (or appear through duly authorised representatives); or
 - (b) if in respect of a Written Procedure, reply to the request.
- 15.12 If a quorum does not exist at a Holders' Meeting or in respect of a Written Procedure, the Agent or the Issuer shall convene a second Holders' Meeting (in accordance with Clause 16.1) or initiate a second Written Procedure (in accordance with Clause 17.1), as the case may be, provided that the relevant proposal has not been withdrawn by the Person(s) who initiated the procedure for Holders' consent. The quorum requirement in Clause 15.11 shall not apply to such second Holders' Meeting or Written Procedure.
- 15.13 If a quorum exists for some but not all of the matters to be dealt with at a Holders' Meeting or by a Written Procedure, decisions may be taken in the matters for which a quorum exists.
- 15.14 Any decision which extends or increases the obligations of the Issuer or the Agent, or limits, reduces or extinguishes the rights or benefits of the Issuer or the Agent, under these Terms and Conditions shall be subject to the Issuer's or the Agent's consent, as appropriate.
- 15.15 A Holder holding more than one (1) Bond need not use all its votes or cast all the votes to which it is entitled in the same way and may in its discretion use or cast some of its votes only.
- 15.16 The Issuer may not, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as inducement to any consent under these Terms and Conditions, unless such consideration is offered to all Holders that vote in respect of the proposal at the

relevant Holders' Meeting or in a Written Procedure within the time period stipulated for the consideration to be payable or the time period for replies in the Written Procedure, as the case may be.

- 15.17 A matter decided at a duly convened and held Holders' Meeting or by way of Written Procedure is binding on all Holders, irrespective of them being present or represented at the Holders' Meeting or responding in the Written Procedure. The Holders that have not adopted or voted for a decision shall not be liable for any damages that this may cause other Holders.
- 15.18 All costs and expenses incurred by the Issuer or the Agent for the purpose of convening a Holders' Meeting or for the purpose of carrying out a Written Procedure, including reasonable fees to the Agent, shall be paid by the Issuer.
- 15.19 If a decision shall be taken by the Holders on a matter relating to these Terms and Conditions, the Issuer shall promptly at the request of the Agent provide the Agent with a certificate specifying the number of Bonds owned by Group Companies or (to the knowledge of the Issuer) their Affiliates as per the relevant Record Date for voting, irrespective of whether such Person is directly registered as owner of such Bonds. The Agent shall not be responsible for the accuracy of such certificate or otherwise be responsible to determine whether a Bond is owned by a Group Company or an Affiliate of a Group Company.
- 15.20 Information about decisions taken at a Holders' Meeting or by way of a Written Procedure shall promptly be sent by notice to the Holders and published on the websites of the Issuer and the Agent, provided that a failure to do so shall not invalidate any decision made or voting result achieved. The minutes from the relevant Holders' Meeting or Written Procedure shall at the request of a Holder be sent to it by the Issuer or the Agent, as applicable.

16. HOLDERS' MEETING

- 16.1 The Agent shall convene a Holders' Meeting by sending a notice thereof to each Holder no later than five (5) Business Days after receipt of a request from the Issuer or the Holder(s) (or such later date as may be necessary for technical or administrative reasons). If the Holders' Meeting has been requested by the Holder(s), the Agent shall send a copy of the notice to the Issuer.
- 16.2 Should the Issuer want to replace the Agent, it may convene a Holders' Meeting in accordance with Clause 16.1 with a copy to the Agent. After a request from the Holders pursuant to Clause 20.4.3, the Issuer shall no later than five (5) Business Days after receipt of such request (or such later date as may be necessary for technical or administrative reasons) convene a Holders' Meeting in accordance with Clause 15.1.
- 16.3 The notice pursuant to Clause 15.1 shall include:
- (a) the time for the meeting;
 - (b) the place for the meeting;
 - (c) a specification of the Record Date on which a person must be registered as a Holder in order to be entitled to exercise voting rights;

- (d) an agenda for the meeting (including the reasons for, and contents of, each request for a decision by the Holders and if the proposal concerns an amendment to these Terms and Conditions, the details of such proposed amendment);
- (e) a form of power of attorney;
- (f) any applicable conditions precedent and conditions subsequent;
- (g) should prior notification by the Holders be required in order to attend the Holders' Meeting, such requirement shall be included in the notice; and
- (h) information on where additional information (if any) will be published.

Only matters that have been included in the notice may be resolved upon at the Holders' Meeting.

- 16.4 The Holders' Meeting shall be held no earlier than ten (10) Business Days and no later than twenty (20) Business Days from the notice.
- 16.5 If the Agent, in breach of these Terms and Conditions, has not convened a Holders' Meeting within five (5) Business Days after having received such notice, the requesting Person may convene the Holders' Meeting itself. If the requesting Person is a Holder, the Issuer shall upon request from such Holder provide the Holder with necessary information from the register kept by the CSD and, if no Person to open the Holders' Meeting has been appointed by the Agent, the meeting shall be opened by a Person appointed by the requesting Person.
- 16.6 At a Holders' Meeting, the Issuer, the Holders (or the Holders' representatives/proxies) and the Agent may attend along with each of their representatives, counsels and assistants. Further, the directors of the board, the managing director and other officials of the Issuer and the Issuer's auditors may attend the Holders' Meeting. The Holders' Meeting may decide that further individuals may attend. If a representative/proxy shall attend the Holders' Meeting instead of the Holder, the representative/proxy shall present a duly executed proxy or other document establishing its authority to represent the Holder.
- 16.7 Without amending or varying these Terms and Conditions, the Agent may prescribe such further regulations regarding the convening and holding of a Holders' Meeting as the Agent may deem appropriate. Such regulations may include a possibility for Holders to vote without attending the meeting in person.

17. WRITTEN PROCEDURE

- 17.1 The Agent shall instigate a Written Procedure no later than five (5) Business Days after receipt of a request from the Issuer or the Holder(s) (or such later date as may be necessary for technical or administrative reasons) by sending a communication to each such Person who is registered as a Holder on the Business Day prior to the date on which the communication is sent. If the Written Procedure has been requested by the Holder(s), the Agent shall send a copy of the communication to the Issuer.
- 17.2 Should the Issuer want to replace the Agent, it may send a communication in accordance with Clause 17.1 to each Holder with a copy to the Agent.

- 17.3 A communication pursuant to Clause 17.1 shall include:
- (a) each request for a decision by the Holders;
 - (b) a description of the reasons for, and contents of, each proposal (including, if the proposal concerns an amendment to these Terms and Conditions, the details of such proposed amendment);
 - (c) any applicable conditions precedent and conditions subsequent;
 - (d) information on where additional information (if any) will be published;
 - (e) a specification of the Business Day on which a Person must be registered as a Holder in order to be entitled to exercise voting rights;
 - (f) instructions and directions on where to receive a form for replying to the request (such form to include an option to vote yes or no for each request) as well as a form of power of attorney;
 - (g) the stipulated time period within which the Holder must reply to the request (such time period to last at least ten (10) Business Days but no more than twenty (20) Business Days from the effective date of communication pursuant to Clause 17.1); and
 - (h) if the voting shall be made electronically, instructions for such voting.
- 17.4 If the Agent, in breach of these Terms and Conditions, has not instigated a Written Procedure within five (5) Business Days after having received such notice, the requesting Person may instigate a Written Procedure itself. If the requesting Person is a Holder, the Issuer shall upon request from such Holder provide the Holder with necessary information from the register kept by the CSD.
- 17.5 When the requisite majority consents of the total Adjusted Nominal Amount pursuant to Clause 15.8 and 15.9 have been received in a Written Procedure, the relevant decision shall be deemed to be adopted pursuant to Clause 15.8 or 15.9, as the case may be, even if the time period for replies in the Written Procedure has not yet expired.
- 17.6 The Agent may, during the Written Procedure, provide information to the Issuer by way of updates whether or not quorum requirements have been met and about the eligible votes received by the Agent, including the portion consenting or not consenting to the proposal(s) or refraining from voting (as applicable).

18. AMENDMENTS AND WAIVERS

18.1 Amendments and waivers

- 18.1.1 The Issuer and the Agent (acting on behalf of the Holders) may agree to amend these Terms and Conditions or waive any provision in these Terms and Conditions, provided that the Agent is satisfied that:
- (a) such amendment or waiver is not detrimental to the interest of the Holders (as a group), or is made solely for the purpose of rectifying obvious errors and mistakes;

- (b) such amendment or waiver is required by applicable regulation, a court ruling or a decision by a relevant authority;
- (c) is made pursuant to Clause 19 (*Replacement of Base Rate*);
- (d) such amendment or waiver is necessary for the purpose of having the Bonds admitted to trading on the corporate bond list of Nasdaq Stockholm (or any other Regulated Market, as applicable), provided such amendment or waiver does not materially adversely affect the rights of the Holders; or
- (e) such amendment or waiver has been duly approved by the Holders in accordance with Clause 15 (*Decisions by Holders*) and it has received any conditions precedent specified for the effectiveness of the approval by the Holders.

18.1.2 The consent of the Holders is not necessary to approve the particular form of any amendment or waiver to these Terms and Conditions. It is sufficient if such consent approves the substance of the amendment or waiver.

18.1.3 The Agent shall promptly notify the Holders of any amendments or waivers made in accordance with this Clause 18.1, setting out the date from which the amendment or waiver will be effective, and ensure that any amendments to these Terms and Conditions are available on the websites of the Issuer and the Agent. The Issuer shall ensure that any amendments to these Terms and Conditions are duly registered with the CSD and each other relevant organisation or authority.

18.1.4 An amendment or waiver to these Terms and Conditions shall take effect on the date determined by the Holders' Meeting, in the Written Procedure or by the Agent, as the case may be.

18.2 **Defeasance**

18.2.1 In addition to Clause 18.1 (*Amendments and waivers*), in connection with a full redemption of all outstanding Bonds and subject to the terms in this Clause 18.2, the Agent may agree in writing to waive any or all provisions in these Terms and Conditions. Any waiver provided in accordance with this Clause 18.2 may be made at the Agent's sole discretion (acting on behalf of the Holders) without having to obtain the consent of the Holders to the extent any such waiver would not have a Material Adverse Effect and provided that:

- (a) at the latest on the date on which the waiver becomes effective, an amount corresponding to the total nominal amount outstanding under the Bonds as well as any applicable Call Option Price and, any accrued but unpaid Interest and any other amounts due to be paid to the Agent and/or the Holders under or in respect of these Terms and Conditions until the relevant Redemption Date is transferred to a pledged account held by the Issuer with a reputable Swedish bank subject to duly perfected first ranking security in favour of the Agent and the Holders;
- (b) the Issuer undertakes to redeem and/or repurchase and cancel all outstanding Bonds in full within three (3) months from the date on which the waiver becomes effective;
- (c) the Agent may require such further terms, conditions and statements before the effectiveness of the waiver as the Agent may reasonably require; and

- (d) the Issuer undertakes to not issue any Subsequent Bonds following the effectiveness of the waiver.
- 18.2.2 Notwithstanding the above, any waiver provided by the Agent will not affect the Issuer's obligations under Clause 12.2 (*Admission to trading of the Bonds*), Clause 12.8 (*Compliance with laws etcetera*), Clause 12.11 (*Agent Agreement*), or Clause 12.12 (*CSD related undertakings*) or, to the extent such provisions relate to the Issuer, the Agent's and the Holders' rights to terminate the Bonds pursuant to paragraphs (a), (d), (e), (f) and (g) of Clause 13.1.
- 18.2.3 Redemption of all Bonds in accordance with this Clause 18.2 shall be made by the Issuer giving notice to the Holders in accordance with Clause 11.3 (*Early voluntary redemption by the Issuer (call option)*), but such notice may not contain any conditions precedent following the effectiveness of the waiver.

19. REPLACEMENT OF BASE RATE

19.1 General

- 19.1.1 Any determination or election to be made by an Independent Adviser, the Issuer or the Holders in accordance with the provisions of this Clause 19 shall at all times be made by such Independent Adviser, the Issuer or the Holders (as applicable) acting in good faith, in a commercially reasonable manner and by reference to relevant market data.
- 19.1.2 If a Base Rate Event has occurred, this Clause 19 shall take precedent over the fallbacks set out in paragraph (b) to (d) of the definition of STIBOR.

19.2 Definitions

In this Clause 19:

“**Adjustment Spread**” means a spread (which may be positive, negative or zero) or a formula or methodology for calculating a spread, or a combination thereof to be applied to a Successor Base Rate and that is:

- (a) formally recommended by any Relevant Nominating Body in relation to the replacement of the Base Rate; or
- (b) if (a) is not applicable, the adjustment spread that the Independent Adviser determines is reasonable to use in order to eliminate, to the extent possible, any transfer of economic value from one party to another as a result of a replacement of the Base Rate and is customarily applied in comparable debt capital market transactions.

“**Base Rate Amendments**” has the meaning set forth in Clause 19.3.4.

“**Base Rate Administrator**” means Swedish Financial Benchmark Facility AB (SFBF) in relation to STIBOR or any person replacing it as administrator of the Base Rate.

“**Base Rate Event**” means one or several of the following circumstances:

- (a) the Base Rate (for the relevant Interest Period) has ceased to exist or ceased to be published for at least five (5) consecutive Business Days as a result of the Base Rate (for the relevant Interest Period) ceasing to be calculated or administered;

- (b) a public statement or publication of information by (i) the supervisor of the Base Rate Administrator or (ii) the Base Rate Administrator that the Base Rate Administrator ceases to provide the applicable Base Rate (for the relevant Interest Period) permanently or indefinitely and, at the time of the statement or publication, no successor administrator has been appointed or is expected to be appointed to continue to provide the Base Rate;
- (c) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator that the Base Rate (for the relevant Interest Period) is no longer representative of the underlying market which the Base Rate is intended to represent and the representativeness of the Base Rate will not be restored in the opinion of the supervisor of the Base Rate Administrator;
- (d) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator with the consequence that it is unlawful for the Issuer or the Issuing Agent to calculate any payments due to be made to any Holder using the applicable Base Rate (for the relevant Interest Period) or it has otherwise become prohibited to use the applicable Base Rate (for the relevant Interest Period);
- (e) a public statement or publication of information in each case by the bankruptcy trustee of the Base Rate Administrator or by the trustee under the bank recovery and resolution framework (Sw. *krishanteringsregelverket*) containing the information referred to in (b) above; or
- (f) a Base Rate Event Announcement has been made and the announced Base Rate Event as set out in (b) to (e) above will occur within six (6) months.

“**Base Rate Event Announcement**” means a public statement or published information as set out in paragraph (b) to (e) of the definition of Base Rate Event that any event or circumstance specified therein will occur.

“**Independent Adviser**” means an independent financial institution or adviser of repute in the debt capital markets where the Base Rate is commonly used.

“**Relevant Nominating Body**” means, subject to applicable law, firstly any relevant supervisory authority, secondly any applicable central bank, or any working group or committee of any of them, or thirdly the Financial Stability Council (Sw. *Finansiella stabilitetsrådet*) or any part thereof.

“**Successor Base Rate**” means:

- (a) a screen or benchmark rate, including the methodology for calculating term structure and calculation methods in respect of debt instruments with similar interest rate terms as the Bonds, which is formally recommended as a successor to or replacement of the Base Rate by a Relevant Nominating Body; or
- (b) if there is no such rate as described in paragraph (a), such other rate as the Independent Adviser determines is most comparable to the Base Rate.

For the avoidance of doubt, in the event that a Successor Base Rate ceases to exist, this definition shall apply mutatis mutandis to such new Successor Base Rate.

19.3 **Determination of Base Rate, Adjustment Spread and Base Rate Amendments**

- 19.3.1 Without prejudice to Clause 19.3.2, upon a Base Rate Event Announcement, the Issuer may, if it is possible to determine a Successor Base Rate at such point of time, at any time before the occurrence of the relevant Base Rate Event at the Issuer's expense appoint an Independent Adviser to initiate the procedure to determine a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating and finally deciding the applicable Base Rate. For the avoidance of doubt, the Issuer will not be obliged to take any such actions until obliged to do so pursuant to Clause 19.3.2.
- 19.3.2 If a Base Rate Event has occurred, the Issuer shall use all commercially reasonable endeavours to, as soon as reasonably practicable and at the Issuer's expense, appoint an Independent Adviser to initiate the procedure to determine, as soon as commercially reasonable, a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating and finally deciding the applicable Base Rate.
- 19.3.3 If the Issuer fails to appoint an Independent Adviser in accordance with Clause 19.3.2, the Holders shall, if so decided at a Holders' Meeting or by way of Written Procedure, be entitled to appoint an Independent Adviser (at the Issuer's expense) for the purposes set forth in Clause 19.3.2. If an Event of Default has occurred and is continuing, or if the Issuer fails to carry out any other actions set forth in Clause 19.3 to 19.6, the Agent (acting on the instructions of the Holders) may to the extent necessary effectuate any Base Rate Amendments without the Issuer's cooperation.
- 19.3.4 The Independent Adviser shall also initiate the procedure to determine any technical, administrative or operational changes required to ensure the proper operation of a Successor Base Rate or to reflect the adoption of such Successor Base Rate in a manner substantially consistent with market practice ("**Base Rate Amendments**").
- 19.3.5 Provided that a Successor Base Rate, the applicable Adjustment Spread and any Base Rate Amendments have been finally decided no later than prior to the relevant Quotation Day in relation to the next succeeding Interest Period, they shall become effective with effect from and including the commencement of the next succeeding Interest Period, always subject to any technical limitations of the CSD and any calculations methods applicable to such Successor Base Rate.

19.4 **Interim measures**

- 19.4.1 If a Base Rate Event set out in any of the paragraphs (a) to (e) of the Base Rate Event definition has occurred but no Successor Base Rate and Adjustment Spread have been finally decided prior to the relevant Quotation Day in relation to the next succeeding Interest Period or if such Successor Base Rate and Adjustment Spread have been finally decided but due to technical limitations of the CSD, cannot be applied in relation to the relevant Quotation Day, the Interest Rate applicable to the next succeeding Interest Period shall be:
- (a) if the previous Base Rate is available, determined pursuant to the terms that would apply to the determination of the Base Rate as if no Base Rate Event had occurred; or

- (b) if the previous Base Rate is no longer available or cannot be used in accordance with applicable law or regulation, equal to the Interest Rate determined for the immediately preceding Interest Period.

19.4.2 For the avoidance of doubt, Clause 19.4.1 shall apply only to the relevant next succeeding Interest Period and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustments as provided in, this Clause 19. This will however not limit the application of Clause 19.4.1 for any subsequent Interest Periods, should all relevant actions provided in this Clause 19 have been taken, but without success.

19.5 **Notices etc.**

Prior to the Successor Base Rate, the applicable Adjustment Spread and any Base Rate Amendments become effective the Issuer shall promptly, following the final decision by the Independent Adviser of any Successor Base Rate, Adjustment Spread and any Base Rate Amendments, give notice thereof to the Agent, the Issuing Agent and the Holders in accordance with Clause 25 (*Notices and press releases*) and the CSD. The notice shall also include information about the effective date of the amendments. If the Bonds are admitted to trading on a stock exchange, the Issuer shall also give notice of the amendments to the relevant stock exchange.

19.6 **Variation upon replacement of Base Rate**

19.6.1 No later than giving the Agent notice pursuant to Clause 19.5 (*Notices etc.*), the Issuer shall deliver to the Agent a certificate signed by the Independent Adviser and the CEO, CFO or any other duly authorised signatory of the Issuer (subject to Clause 19.3.3) confirming the relevant Successor Base Rate, the Adjustment Spread and any Base Rate Amendments, in each case as determined and decided in accordance with the provisions of this Clause 19. The Successor Base Rate, the Adjustment Spread and any Base Rate Amendments (as applicable) specified in such certificate will, in the absence of manifest error or bad faith in any decision, be binding on the Issuer, the Agent, the Issuing Agent and the Holders.

19.6.2 Subject to receipt by the Agent of the certificate referred to in Clause 19.6.1, the Issuer and the Agent shall, at the request and expense of the Issuer, without the requirement for any consent or approval of the Holders, without undue delay effect such amendments to these Terms and Conditions as may be required by the Issuer in order to give effect to this Clause 19.

19.6.3 The Agent and the Issuing Agent shall always be entitled to consult with external experts prior to amendments are effected pursuant to this Clause 19. Neither the Agent nor the Issuing Agent shall be obliged to concur if in the reasonable opinion of the Agent or the Issuing Agent (as applicable), doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Agent or the Issuing Agent in these Terms and Conditions.

19.7 **Limitation of liability for the Independent Adviser**

Any Independent Adviser appointed pursuant to Clause 19.3 (*Determination of Base Rate, Adjustment Spread and Base Rate Amendments*) shall not be liable whatsoever for damage or loss caused by any determination, action taken or omitted by it under or in connection with these

Terms and Conditions, unless directly caused by its gross negligence or wilful misconduct. The Independent Adviser shall never be responsible for indirect or consequential loss.

20. APPOINTMENT AND REPLACEMENT OF THE AGENT

20.1 Appointment of Agent

- 20.1.1 By subscribing for Bonds, each initial Holder appoints the Agent to act as its agent in all matters relating to the Bonds and these Terms and Conditions, and authorises the Agent to act on its behalf (without first having to obtain its consent, unless such consent is specifically required by these Terms and Conditions) in any legal or arbitration proceedings relating to the Bonds held by such Holder, including the winding-up, dissolution, liquidation, company reorganisation (Sw. *företagsrekonstruktion*) or bankruptcy (Sw. *konkurs*) (or its equivalent in any other jurisdiction) of the Issuer. By acquiring Bonds, each subsequent Holder confirms such appointment and authorisation for the Agent to act on its behalf.
- 20.1.2 Each Holder shall immediately upon request by the Agent provide the Agent with any such documents, including a written power of attorney (in form and substance satisfactory to the Agent), as the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under these Terms and Conditions. The Agent is under no obligation to represent a Holder which does not comply with such request.
- 20.1.3 The Issuer shall promptly upon request provide the Agent with any documents and other assistance (in form and substance satisfactory to the Agent), that the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under these Terms and Conditions.
- 20.1.4 The Agent is entitled to fees for its all work in such capacity and to be indemnified for costs, losses and liabilities on the terms set out in these Terms and Conditions and the Agent Agreement, and the Agent's obligations as agent under these Terms and Conditions are conditioned upon the due payment of such fees and indemnifications.
- 20.1.5 The Agent may act as agent, trustee and/or security agent for several issues of securities or other loans issued by or relating to the Issuer and other Group Companies notwithstanding potential conflicts of interest.

20.2 Duties of the Agent

- 20.2.1 The Agent shall represent the Holders in accordance with these Terms and Conditions. However, the Agent is not responsible for the due execution, validity or enforceability of these Terms and Conditions. The Agent shall keep the latest version of these Terms and Conditions (including any document amending these Terms and Conditions) available on the website of the Agent.
- 20.2.2 Upon request by a Holder, the Agent shall promptly distribute to the Holders any information from such Holder which relates to the Bonds (at the discretion of the Agent). The Agent may require that the requesting Holder reimburses any costs or expenses incurred, or to be incurred, by the Agent in doing so (including a reasonable fee for the work of the Agent) before any such

information is distributed. The Agent shall upon request by a Holder disclose the identity of any other Holder who has consented to the Agent in doing so.

- 20.2.3 When acting in accordance with these Terms and Conditions, the Agent is always acting with binding effect on behalf of the Holders. The Agent is never acting as an advisor to the Holders or the Issuer. Any advice or opinion from the Agent does not bind the Holders or the Issuer. The Agent shall carry out its duties under these Terms and Conditions in a reasonable, proficient and professional manner, with reasonable care and skill.
- 20.2.4 The Agent's duties under these Terms and Conditions are solely mechanical and administrative in nature and the Agent only acts in accordance with these Terms and Conditions and upon instructions from the Holders, unless otherwise set out in these Terms and Conditions. In particular, the Agent is not acting as an advisor (whether legal, financial or otherwise) to the Holders.
- 20.2.5 The Agent is not obligated to assess or monitor the financial condition of the Issuer or compliance by the Group Companies with the terms of these Terms and Conditions (unless to the extent expressly set out in these Terms and Conditions) or to take any steps to ascertain whether any Event of Default (or any event that may lead to an Event of Default) has occurred.
- 20.2.6 The Agent shall (i) review each Compliance Certificate delivered to it to determine that it meets the relevant requirements and as otherwise agreed between the Issuer and the Agent and (ii) verify that the Issuer according to its reporting in the Compliance Certificate meets the relevant financial covenant(s) or tests. The Issuer shall promptly upon request provide the Agent with such information as the Agent reasonably considers necessary for the purpose of being able to comply with this.
- 20.2.7 The Agent is entitled to delegate its duties to other professional parties, but the Agent shall remain liable for the actions of such parties under these Terms and Conditions.
- 20.2.8 The Agent shall treat all Holders equally and, when acting pursuant to these Terms and Conditions, act with regard only to the interests of the Holders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other Person, other than as explicitly stated in these Terms and Conditions and the Agent Agreement.
- 20.2.9 The Agent shall be entitled to disclose to the Holders any event or circumstance directly or indirectly relating to the Issuer or the Bonds. Notwithstanding the foregoing, the Agent may if it considers it to be beneficial to the interests of the Holders delay disclosure or refrain from disclosing certain information other than in respect of an Event of Default that has occurred and is continuing.
- 20.2.10 The Agent is entitled to engage external experts when carrying out its duties under these Terms and Conditions. The Issuer shall on demand by the Agent pay all costs for external experts engaged (i) after the occurrence of an Event of Default, (ii) for the purpose of investigating or considering an event which the Agent reasonably believes is or may lead to an Event of Default or a matter relating to the Issuer which the Agent reasonably believes may be detrimental to the interests of the Holders under these Terms and Conditions, (iii) in connection with any Holders' Meeting or Written Procedure or (iv) when the Agent is to make a determination under these Terms and Conditions. Any compensation for damages or other recoveries received by the

Agent from external experts engaged by it for the purpose of carrying out its duties under these Terms and Conditions shall be distributed in accordance with Clause 14 (*Distribution of proceeds*).

- 20.2.11 The Agent shall enter into agreements with the CSD, and comply with such agreement and the CSD Regulations applicable to the Agent, as may be necessary in order for the Agent to carry out its duties under these Terms and Conditions.
- 20.2.12 Notwithstanding any other provision of these Terms and Conditions to the contrary, the Agent is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.
- 20.2.13 If in the Agent's reasonable opinion the cost, loss or liability which it may incur (including reasonable fees to the Agent) in complying with instructions of the Holders, or taking any action at its own initiative, will not be covered by the Issuer, the Agent may refrain from acting in accordance with such instructions, or taking such action, until it has received such funding or indemnities (or adequate security has been provided therefore) as it may reasonably require.
- 20.2.14 The Agent shall give a notice to the Holders (i) before it ceases to perform its obligations under these Terms and Conditions by reason of the non-payment by the Issuer of any fee or indemnity due to the Agent under these Terms and Conditions or the Agent Agreement, or (ii) if it refrains from acting for any reason described in Clause 20.2.13.

20.3 **Limited liability for the Agent**

- 20.3.1 The Agent may assume that the documentation and evidence delivered to it is accurate, legally valid, enforceable, correct, true and complete unless it has actual knowledge to the contrary, and the Agent does not have to verify or assess the contents of any such documentation or evidence. No documents or evidence delivered in accordance with these Terms and Conditions are reviewed by the Agent from a legal or commercial perspective of the Holders.
- 20.3.2 The Agent will not be liable to the Holders for damage or loss caused by any action taken or omitted by it under or in connection with these Terms and Conditions, unless directly caused by its negligence or wilful misconduct. The Agent shall never be responsible for indirect or consequential loss.
- 20.3.3 The Agent shall not be considered to have acted negligently if it has acted in accordance with advice from or opinions of reputable external experts engaged by or addressed to the Agent or if the Agent has acted with reasonable care in a situation when the Agent considers that it is detrimental to the interests of the Holders to delay the action in order to first obtain instructions from the Holders.
- 20.3.4 The Agent shall not be liable for any delay (or any related consequences) in crediting an account with an amount required pursuant to these Terms and Conditions to be paid by the Agent to the Holders, provided that the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.

20.3.5 The Agent shall have no liability to the Holders for damage caused by the Agent acting in accordance with instructions of the Holders given in accordance with Clause 13.1 or Clause 15 (*Decisions by Holders*).

20.3.6 The Agent is not liable for information provided to the Holders by or on behalf of the Issuer or by any other person.

20.3.7 Any liability towards the Issuer which is incurred by the Agent in acting under, or in relation to, these Terms and Conditions shall not be subject to set-off against the obligations of the Issuer to the Holders under these Terms and Conditions.

20.4 **Replacement of the Agent**

20.4.1 Subject to Clause 20.4.6, the Agent may resign by giving notice to the Issuer and the Holders, in which case the Holders shall appoint a successor Agent at a Holders' Meeting convened by the retiring Agent or by way of Written Procedure initiated by the retiring Agent.

20.4.2 Subject to Clause 20.4.6, if the Agent is insolvent or becomes subject to bankruptcy proceedings, the Agent shall be deemed to resign as Agent and the Issuer shall within ten (10) Business Days appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.

20.4.3 A Holder (or Holders) representing at least ten (10.00) per cent. of the Adjusted Nominal Amount may, by notice to the Issuer (such notice may only be validly given by a Person who is a Holder on the Business Day immediately following the day on which the notice is received by the Issuer and shall, if given by several Holders, be given by them jointly), require that a Holders' Meeting is held for the purpose of dismissing the Agent and appointing a new Agent. The Issuer may, at a Holders' Meeting convened by it or by way of Written Procedure initiated by it, propose to the Holders that the Agent be dismissed and a new Agent appointed.

20.4.4 If the Holders have not appointed a successor Agent within ninety (90) calendar days after (i) the earlier of the notice of resignation was given or the resignation otherwise took place or (ii) the Agent was dismissed through a decision by the Holders, the Issuer shall appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.

20.4.5 The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under these Terms and Conditions.

20.4.6 The Agent's resignation or dismissal shall only take effect upon the appointment of a successor Agent and acceptance by such successor Agent of such appointment and the execution of all necessary documentation to effectively substitute the retiring Agent.

20.4.7 Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of these Terms and Conditions but shall remain entitled to the benefit of these Terms and Conditions and remain liable under these Terms and Conditions in respect of any action which it took or failed to take whilst acting as Agent. Its successor, the Issuer and each of the Holders shall have the same rights and obligations amongst themselves under these Terms and Conditions as they would have had if such successor had been the original Agent.

- 20.4.8 In the event that there is a change of the Agent in accordance with this Clause 20.4, the Issuer shall execute such documents and take such actions as the new Agent may reasonably require for the purpose of vesting in such new Agent the rights, powers and obligation of the Agent and releasing the retiring Agent from its further obligations under these Terms and Conditions and the Agent Agreement. Unless the Issuer and the new Agent agrees otherwise, the new Agent shall be entitled to the same fees and the same indemnities as the retiring Agent.

21. APPOINTMENT AND REPLACEMENT OF THE ISSUING AGENT

- 21.1 The Issuer appoints the Issuing Agent to manage certain specified tasks under these Terms and Conditions and in accordance with the legislation, rules and regulations applicable to and/or issued by the CSD and relating to the Bonds. The Issuing Agent shall be a commercial bank or securities institution approved by the CSD.
- 21.2 The Issuer shall ensure that the Issuing Agent enters into agreements with the CSD, and comply with such agreement and the CSD Regulations applicable to the Issuing Agent, as may be necessary in order for the Issuing Agent to carry out its duties relating to the Bonds.
- 21.3 The Issuing Agent will not be liable to the Holders for damage or loss caused by any action taken or omitted by it under or in connection with these Terms and Conditions, unless directly caused by its gross negligence or wilful misconduct. The Issuing Agent shall never be responsible for indirect or consequential loss.
- 21.4 The Issuing Agent may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has approved that a commercial bank or securities institution approved by the CSD accedes as new Issuing Agent at the same time as the old Issuing Agent retires or is dismissed. If the Issuing Agent is insolvent, the Issuer shall immediately appoint a new Issuing Agent, which shall replace the old Issuing Agent as issuing agent in accordance with these Terms and Conditions.

22. APPOINTMENT AND REPLACEMENT OF THE CSD

- 22.1 The Issuer has appointed the CSD to manage certain tasks under these Terms and Conditions and in accordance with the CSD Regulations and the other regulations applicable to the Bonds.
- 22.2 The CSD may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has effectively appointed a replacement CSD that accedes as CSD at the same time as the old CSD retires or is dismissed and provided also that the replacement does not have a negative effect on any Holder or the admission to trading of the Bonds on the corporate bond list of Nasdaq Stockholm or any other Regulated Market. The replacing CSD must be authorised to professionally conduct clearing operations pursuant to the Swedish Securities Market Act (*Sw. lag (2007:528) om värdepappersmarknaden*).

23. NO DIRECT ACTIONS BY HOLDERS

- 23.1 A Holder may not take any action or take any legal steps whatsoever against the Issuer or a Subsidiary to enforce or recover any amount due or owing to it pursuant to these Terms and Conditions, or to initiate, support or procure the winding-up, dissolution, liquidation, company

reorganisation (Sw. *företagsrekonstruktion*) or bankruptcy (Sw. *konkurs*) (or its equivalent in any other jurisdiction) of the Issuer or a Subsidiary in relation to any of the liabilities of the Issuer under these Terms and Conditions. Such steps may only be taken by the Agent.

- 23.2 Clause 23.1 shall not apply if the Agent has been instructed by the Holders in accordance with these Terms and Conditions to take certain actions but fails for any reason to take, or is unable to take (for any reason other than a failure by a Holder to provide documents in accordance with Clause 20.1.2), such actions within a reasonable period of time and such failure or inability is continuing. However, if the failure to take certain actions is caused by the non-payment by the Issuer of any fee or indemnity due to the Agent under these Terms and Conditions or the Agent Agreement or by any reason described in Clause 20.2.13, such failure must continue for at least forty (40) Business Days after notice pursuant to Clause 20.2.14 before a Holder may take any action referred to in Clause 23.1.
- 23.3 The provisions of Clause 23.1 shall not in any way limit an individual Holder's right to claim and enforce payments which are due to it under Clause 11.4 (*Mandatory repurchase due to a Change of Control Event, Bond De-listing Event or Listing Failure (put option)*) or other payments which are due by the Issuer to some but not all Holders.

24. TIME-BAR

- 24.1 The right to receive repayment of the principal of the Bonds shall be time-barred and become void ten (10) years from the relevant Redemption Date. The right to receive payment of Interest (excluding any capitalised Interest) shall be time-barred and become void three (3) years from the relevant due date for payment. The Issuer is entitled to any funds set aside for payments in respect of which the Holders' right to receive payment has been time-barred and has become void.
- 24.2 If a limitation period is duly interrupted in accordance with the Swedish Act on Limitations (Sw. *preskriptionslag (1981:130)*), a new time-bar period of ten (10) years with respect to the right to receive repayment of the principal of the Bonds, and of three (3) years with respect to the right to receive payment of Interest (excluding capitalised Interest) will commence, in both cases calculated from the date of interruption of the time-bar period, as such date is determined pursuant to the provisions of the Swedish Act on Limitations.

25.1.5 Failure to send a notice or other communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders.

- 25.2.2 In addition to Clause 25.2.1, if any information relating to the Bonds, the Issuer or the Group contained in a notice the Agent may send to the Holders under these Terms and Conditions has not already been made public by way of a press release, the Agent shall before it sends such information to the Holders give the Issuer the opportunity to issue a press release containing such information. If the Issuer does not promptly issue a press release and the Agent considers it necessary to issue a press release containing such information before it can lawfully send a notice containing such information to the Holders, the Agent shall be entitled to issue such press release.

26. **FORCE MAJEURE**

- 26.1 Neither the Agent nor the Issuing Agent shall be held responsible for any damage arising out of any legal enactment, or any measure taken by a public authority, or war, strike, lockout, boycott, blockade, natural disaster, insurrection, civil commotion, terrorism or any other similar circumstance (a “**Force Majeure Event**”). The reservation in respect of strikes, lockouts, boycotts and blockades applies even if the Agent or the Issuing Agent itself takes such measures, or is subject to such measures.
- 26.2 Should a Force Majeure Event arise which prevents the Agent or the Issuing Agent from taking any action required to comply with these Terms and Conditions, such action may be postponed until the obstacle has been removed.
- 26.3 The provisions in this Clause 26 apply unless they are inconsistent with the provisions of the Central Securities Depositories and Financial Instruments Accounts Act which provisions shall take precedence.

27. **ADMISSION TO TRADING**
